Joshua Richter, Planning & Development 2022-2024

Leonardo DRS, Inc.

Joshua Richter is the Senior Director of Global Trade Compliance & Operations at Leonardo DRS, Inc. In this role, Josh manages operations for eight trade professionals across the business units and provides direct support to their localized operations. Josh also provides complementary support to the DRS compliance team with training, reviewing compliance matters, supporting audits and assessments, Customs compliance, and monitoring the trade governance structure. He has developed his skills and experiences spanning 20+ years in export licensing, jurisdiction & classification analysis, compliance, trade governance, automation, Customs, imports, security, Consent Agreements, and training. He has previously held positions within the corporate and operational business units of small, medium, and large aerospace and defense companies such as Raytheon, Northrop Grumman, and Orbital; and additionally gained valuable experience while consulting with Deloitte Tax LLC. Josh resides in Arlington, VA with his husband and two pets; and enjoys traveling the globe in his free time.
