

**Patrick Marzluff, Senior Export Control Analyst**  
**Regulations, Interagency, and Outreach (RIO) Division**  
**Export Control Directorate**  
**Defense Technology Security Administration**

Mr. Patrick Marzluff is a Senior Export Control Analyst and team lead with the Regulations, Interagency and Outreach (RIO) Division, part of the Export Control Directorate (ECD) at the Defense Technology Security Administration (DTSA). His current portfolio includes overseeing DTSA's review of updates to the International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR) for Department of War (DoW) equities, as well as leading DTSA's End User Review Committee (ERC) team. He is the ECD lead for export control issues related to the Australia/United Kingdom/United States (AUKUS) partnership. Additionally, Mr. Marzluff is responsible for the interagency coordination and DoW adjudication of cases involving dual-use items controlled for chemical & biological weapons (CB) reasons.

Mr. Marzluff is a veteran with 25 years of service in the United States Navy. He received his Bachelor's degree in Computer Science from the United States Naval Academy and his Master's degree in National Security and Strategic Studies from the U.S. Naval War College.
