

Matt Binder
Manager, Global Trade Licensing & Sanctions
BAE Systems, Inc.
Matthew.Binder@baesystems.us

Matt is a focused leader and team member specializing in working with internal customers on all things import and export. Matt supports internal business development and growth while ensuring compliance is at the forefront of international business. With a focus on establishing a culture of compliance while serving in a supporting role to the evolving needs of the business, Matt stays ahead of potential issues by engaging early with stakeholders to ensure export/import implications are considered from the start.

In his current role, Matt acts as the main liaison between the business and U.S. Government stakeholders, actively engaging to advance licensing priorities within BAE Systems. Matt is responsible for managing a large portfolio of license and agreements, and reviews for compliance prior to submission to the respective U.S. Government agency.

Matt has prior experience from Northrop Grumman Corporation and Huntington Ingalls Industries and earned a B.S. in International Business from the Robert H. Smith School of Business at the University of Maryland.

Prior to joining the SIA Board of Directors, Matt has experience serving on the following SIA conference committees:

- Speaker Co-Chair, 2025 Fall Advanced Conference
- Conference Director, 2024 Winter Back to Basics Conference
- Speaker Co-Chair, 2022 Fall Advanced Conference
- AV/Publications Chair, 2022 Winter Back to Basics Conference

Outside of work Matt can be found on the baseball field umpiring college baseball or spending time with his family on the water.
